Tasks of the participant before, during and after:

In preparation of the job shadowing period participant is invited to read the information provided in the shared Padlet created in the twinspace of Erasmus+ Project "e+Ties: Another look at bilingual education". The link at the Padlet is <https://twinspace.etwinning.net/35670/pages/page/269370>

During the two week job shadowing activity the participant will have the chance to interact with children and teachers in class activities focused on the knowledge of some aspects of culture, habits, geographical features about the region/country of origin. Realia and original materials and resources supporting this knowledge will be appreciated.

After the job shadowing period, the hosting school will be very pleased to carry on a collaboration between

the teachers, in order to plan class projects based on CLIL approach in eTwinning platform.

Competences to be acquired by the participant:

During the job shadowing experience participant will have the chance to acquire methods and strategies of how to plan and apply CLIL activities in Primary school contexts.

Monitoring and Mentoring of the participant before, during and after the mobility:

During the job shadowing period the participant will be daily supported by the hosting teachers giving practical supporting material properly designed for the different types of activities.

Furthermore, during the teachers meetings, the participant will have the chance to share ideas, opinions and observations about the activities experienced in the classes.

Evaluation and Recognition of the mobility:

Participant will receive a Certificate of participation to the Job- shadowing period.
